

CEILING LIGHTS

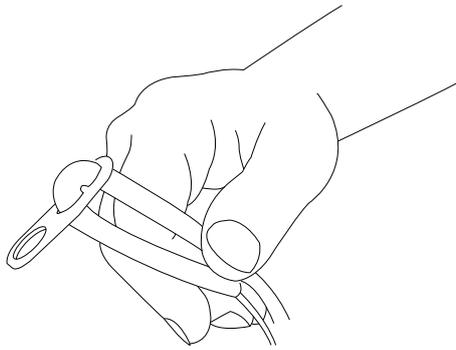

Dent, Kiki, Tora, Slope

10 min

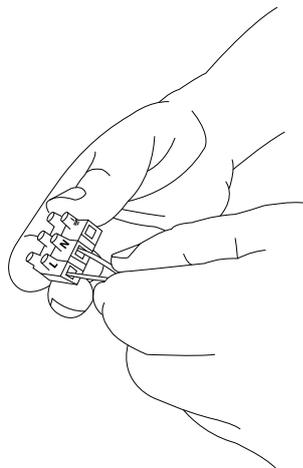

1

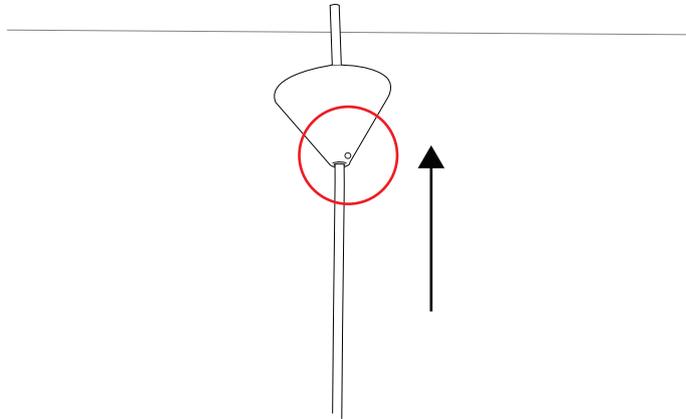

Usa la piastrina per regolare la lunghezza della lampada.
Use the plate to set the length of the lamp.

2

Fissa la lampada al soffitto attraverso l'apposito morsetto.
Hang the lamp to the ceiling with the clamp.

3

Decisa l'altezza e la posizione, usa la vite già inserita per fissare la coppetta e coprire l'aggancio.
Once you decided the right height and position, use the inserted screw to set the cover over the hook.
