

ZERO

by Giopato&Coombes

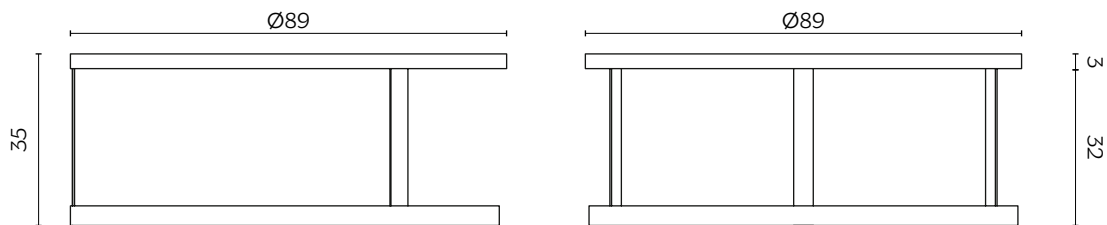

Zero si avvicina alla filosofia orientale con il contrasto tra forme piene e vuote, catturando la magia del Sol Levante in un piano. La struttura è realizzata in lamiera d'acciaio laccata, il piano in vetro extrachiaro, noce canaletto o essenza di legno.

Zero approaches Eastern philosophy with the contrast between full and empty shapes, capturing the magic of the Japanese Rising Sun with a table top. The structure is made of lacquered steel sheet, the top in extra-clear glass or wood essence.
